

# FOLDING STRETCHER

## **FOLDING STRETCHER**

Micon Folding Stretcher holds the advantages of lightness, huge weight capacity, four folding design and easy to fold. It mainly applies in the first-aid and transferring the injured to the Hospital, Base Site, etc.

It has folding cross spreaders and folding poles. It can be folded length-wise and cross-wise for very convenient storage in small spaces. It has rugged cross spreaders that prevent accidental folding.

It is made of heavy duty MS Pipe, and uses the best quality Weather Proof Canvas, with convenient carrying handles.
